**JAY FUND
FOUNDATION**

The Tom Coughlin Jay Fund Foundation

Created by Coach Coughlin, in honor of Jay McGillis, this organization is a living testament to this very special young man who played football for Coach Coughlin at Boston College and developed leukemia while a member of the team. The courage, compassion and faith he demonstrated during the course of his illness were an inspiration to many people.

The mission of the Tom Coughlin Jay Fund Foundation is to assist families who have a child battling cancer by providing emotional and financial support.

The help we are able to provide with your support allows families to focus on what matters most, the health of their child.
